The Toronto Hunt is a private club owned exclusively by its members. Its spectacular setting perched high above Lake Ontario on the Scarborough Bluffs, is one of the most unique in Canada. Just minutes from downtown Toronto, the Club hosts a beautiful 9 hole golf course and a full calendar of dining and social activities including a very active bridge program.

Born of British garrison life at York, The Toronto Hunt, established in 1843, has a distinguished history of meeting members needs. The Club was first incorporated in Canada in 1907, and later incorporated in Ontario as a social and golf club in 1930.
