Join our cellar master **Marcel Bregstein** at the beautiful, elegant and exclusive Verity Club (yes, men are welcome in the public areas of the club!) as he takes us **Around the World with Cabernet Sauvignon**. One of the most beloved red wine varieties expresses itself differently according to the terroir and the vinification techniques used. The event starts at 6:30 with a tasting, accompanied by divine appetizers. The wines we will be tasting are:

2000 Peele Island - Canada

2000 Graham Beck - South Africa

2001 Domaine A. Coal River - Australia

2004 Santa Carolina Reserva Colchagua Valley - Chile

2010 Ramey Napa California - USA

1998 Chateau du Tertre Margaux - France

2004 Osborne Solaz - Spain

Please ensure your safe and responsible transportation.

The tasting will be followed by an optional dinner consisting of main course, dessert and of course, **more Cabernet-Sauvignon!**
